CALIFORNIA GROCERS ASSOCIATION
EDUCATIONAL FOUNDATION

2024 - 2025
COLLEGE SCHOLARSHIP
Recipients

Congratulations to the 2024-25 CGA Educational Foundation College Scholarship recipients. This year, 367 scholarships totaling \$821,800 were awarded to deserving students attending college this fall.

Beginning with a single \$2,000 scholarship, the Foundation has grown exponentially over the last 33 years to bestow more than 6,500 worthy college students with awards totaling \$10.4 million—ensuring that California’s grocery employees and their dependents have the resources necessary to start or complete their higher education.

CGA Educational Foundation college scholarships are open to high school seniors, college undergraduates and graduate students who are dependents of employees or are themselves employed by a California Grocers Association member company. Recipients must be enrolled as an undergraduate or graduate student during the upcoming academic term.

Industry-funded Donor scholarships are unrestricted contributions to our scholarship fund. Donors include Anheuser-Busch InBev, C & S Wholesale Grocers, Certified Federal Credit Union, Ms. Ellyn Gelson, the Illuminators Educational Foundation, Kimberly-Clark Corporation, Molson Coors, Moss Adams, PepsiCo Beverages, Retail Data Systems, Retail Marketing Services, Inc. (RMS), Supremas, Taylor Farms and WK Kellogg. Co.

Legacy scholarships are established to honor individuals, families, or companies with an annual scholarship in their name. Each Legacy scholarship represents a long-term commitment of 10 years to our program.

Lastly, the Foundation assists CGA member companies with providing scholarships for their employees through the Piggyback scholarship program. Employees of participating companies apply for CGAEF scholarships, and automatically become eligible for their company’s Piggyback scholarships.

“The CGA Educational Foundation is proud to provide this important program to Association members,” said Foundation Director Brianne Page. “Education costs continue to rise exponentially year over year. We recognize and thank those that have donated to the scholarship program to help defray the cost for students pursuing a higher education. It highlights our industry’s commitment to supporting the next generation of leaders.”

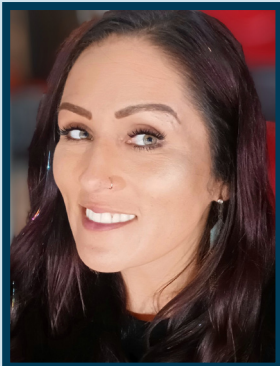

For more information on the scholarship program and to get your company involved, contact Brianne Page at foundation@cagrocers.com or (916) 448-3545.

SCHOLARSHIP *Endowment*

The CGA Educational Foundation created the Scholarship Endowment honoring its 25th anniversary of supporting the industry with financial assistance and educational opportunities. The Endowment will perpetually award scholarships to grocery industry employees through an initial investment totaling \$250,000 from Founders Circle Members Acosta Sales & Marketing/Clorox, The Albertsons Companies Foundation, Anheuser-Busch InBev, Coca-Cola, Dean Foods/ Got Milk, Frito-Lay, The Kellogg Company, Raley's, Stater Bros. Markets Charities, Southern Glazers Wine & Spirits, and Unilever.

In honor of the Foundation's past and future Hall of Achievement Inductees, the CGA Educational Foundation established the Legends of the Industry Scholarship as part of the Scholarship Endowment. This scholarship is an annual \$10,000 scholarship awarded to an employee pursuing a career in the grocery and/or grocery-related manufacturing industries.

In Her Words

Being a single mother of two boys and working full-time has been both a challenge and a source of immense strength in my life. Juggling the responsibilities of parenthood and employment has shaped every facet of my existence, from my educational pursuits to my professional endeavors and personal relationships.

Navigating parenthood and employment simultaneously required a delicate balancing act, one that often left me feeling stretched thin and overwhelmed. The guilt of not being able to spend as much time with my children as I would have liked weighed heavily on my conscience, even as I endeavored to provide for their needs and nurture their growth.

Pursuing higher education as a single parent meant overcoming numerous obstacles, from financial constraints to time constraints and logistical challenges. While my peers enjoyed the luxury of focusing solely on their studies, I often sacrificed sleep and leisure time to stay afloat academically. I refused to let my circumstances define my potential or limit my aspirations. Every assignment completed, every exam aced, was not just a personal victory but a testament to the resilience and determination that fueled my journey.

In the workplace, the realities of single parenthood have shaped my approach to professional life in profound ways. Every task undertaken, every project completed, is imbued with a sense of purpose and responsibility that transcends mere job duties. As a single parent, the stakes are higher, the margin for error narrower, driving me to strive for excellence in everything I do.

CGA EDUCATIONAL FOUNDATION

WOULD LIKE TO THANK THE FOLLOWING COMPANIES FOR THEIR SUPPORT OF THE CGAEF SCHOLARSHIP ENDOWMENT

In 2017, CGA Educational Foundation announced the creation of the CGAEF Scholarship Endowment honoring their 25th anniversary of supporting the grocery industry with financial assistance and educational opportunities.

The CGAEF Scholarship Endowment supports student success and opportunity by creating a permanent funding source for college scholarships, offering relief to the rising costs that keep many students from completing their education.

California is a place of opportunity—and no industry embodies this promise more than the grocery industry.
